

BLACKBOARD PINE

STANDARD FINISHES

DESCRIPTION

Blackboard Pine has a unique look, with black/dark navy tone with white grain patterning and is available on 100% recycled FSC® Certified pine wood. The reclaimed pine comes from recycled school bleachers that are re-milled and re-finished into solid and engineered wood paneling.

SPECIES

Pinus strobus or Pinus palustris, or occasionally others

MILLWORK

Surfaced 4 sides with profile as per specification (tongue and groove is standard). Custom millwork and dimensions are available.

SOLID CLADDING DIMENSIONS

5/8" thick x 4" or 8" width x 1'-10' solid random lengths (or longer, if available)

SOURCE

Post-consumer reclaimed from sources including highschool and college gymnasium bleachers throughout the U.S.

SUSTAINABILITY

FSC® CERTIFIED: Recycled

LEED V4

Building Product Disclosure & Optimization
Regional Priority
Low-Emitting Materials

HARDNESS

Janka rating 470

GRADE

Clear & clean, vertical and/or mixed grain with regularly-occurring bolt holes. Holes are plugged.

FLAME SPREAD

USDA FSI Pine: 195 (class C).
Class A flame retardant coatings are available.

APPLICATION

Interior Wall & Ceiling Cladding & Custom Millwork

MINIMUM ORDER

250 sq.ft.

LEAD TIME

2-6 weeks (or less)

Note: Wood is a natural substance and varies in appearance. Please refer to product images or request samples for a broader representation of the color and character of your selection.

APPLICATION	STANDARD WIDTH(S)	OTHER WIDTH(S)	THICKNESS	FINISH	PROFILE
Solid Cladding + Flooring	4" face width	8" face width	5/8" Thick	Blackboard Pine Finish	T+G

Fixed and mixed widths are available at custom sizes. Custom widths & profiles are available. Please inquire for more information.

Inquire to create your custom specification

TONGUE + GROOVE

Standard profile (other profiles available)

T+G: MICRO BEVEL

Recommended for most pre-finished items & wall cladding

FINISHES

We apply low-VOC and eco-friendly finishes to enhance the natural beauty of the wood for durability and easy maintenance.

CUSTOMIZATION

We offer custom specifications for this product, including dimensions, finishes and profiles for a unique look. Please inquire.

PATTERNS

We can manufacture engineered products in a variety of patterns, including chevron and herringbone patterns.
