

NORDIC PINE

STANDARD FINISHES

DESCRIPTION

Nordic Pine offers a clean, refreshed look that celebrates the Scandinavian design aesthetic of balance and practicality. The softened color cools the tone of the wood, working well with modern and minimal interiors. The wood is reclaimed from bleachers at locations throughout the United States from high schools & colleges.

SPECIES

Pinus strobus or Pinus palustris, or occasionally others

MILLWORK

Surfaced 4 sides with profile as per specification (tongue and groove is standard)

SOLID FLOORING + CLADDING DIMENSIONS

5/8" thick x 4" or 8" width x 1'-10' solid random lengths (or longer, if available)

SOURCE

Post-consumer reclaimed from sources including highschool and college gymnasium bleachers throughout the U.S.

SUSTAINABILITY

FSC® CERTIFIED: Recycled

LEED V4

Building Product Disclosure & Optimization
Regional Priority
Low-Emitting Materials

HARDNESS

Janka rating 470

GRADE

Clear and clean, vertical and/or mixed grain with regularly-occurring bolt holes. Holes are plugged with 3/4" diameter reclaimed Grandstand Pine plugs.

FLAME SPREAD

USDA FSI Pine: 195 (class C).
Class A flame retardant coatings are available.

APPLICATION

Interior Wall and Ceiling Cladding,
Flooring and Custom Millwork

MINIMUM ORDER

250 sq.ft.

LEAD TIME

2-6 weeks (or less)

Note: Wood is a natural substance and varies in appearance. Please refer to product images or request samples for a broader representation of the color and character of your selection.

APPLICATION	STANDARD WIDTH(S)	OTHER WIDTH(S)	THICKNESS	FINISH	GRADE	PROFILE
Solid Cladding + Flooring	4" face width	8" face width	5/8" Thick	Nordic Finish	Character	T+G

Fixed and mixed widths are available at custom sizes. Custom widths & profiles are available. Please inquire for more information.

Inquire to create your custom specification

TONGUE + GROOVE

Standard profile (other profiles available)

T+G: MICRO BEVEL

Recommended for most pre-finished items & wall cladding

FINISHES

We apply low-VOC and eco-friendly finishes to enhance the natural beauty of the wood for durability and easy maintenance.

CUSTOMIZATION

We offer custom specifications for this product, including dimensions, finishes and profiles for a unique look. Please inquire.

PATTERNS

We can manufacture engineered products in a variety of patterns, including chevron and herringbone patterns.
