+ TECHNICAL DATA

STOUT'S LEGACY WHITE WASHED

STANDARD FINISHES

DESCRIPTION

Stout's Legacy reclaimed Redwood paneling showcases the reclaimed giant of woods with a naturally aged patina. When a soft white wash or grey wash is added, the tones further lighten for a muted, beach-inspired look. The texture of the grain is present, as are surface & end checks as well as tight and/or missing knots.

SPECIES

Sequoia sempervirens

APPLICATION

Interior Wall & Ceiling Cladding & Custom Applications.

MILLWORK

Naturally weathered front face with variable texture. Tongue & groove profile.

CLADDING DIMENSIONS

5/8" thick x 4-1/2" & 6-1/2" widths x 1'-5" solid random lengths (or longer, if available)

SOURCE

Post-consumer reclaimed from agricultural structures in Northern California

SUSTAINABILITY

FSC® CERTIFIED: Recycled

LEED V4

Building Product Disclosure & Optimization

Regional Priority

Low-Emitting Materials

Material Ingredients

HARDNESS

Janka rating 450. Suitable for vertical application (& ceiling application)

GRADE

Naturally weathered/distressed face with surface white-wash resulting in ranges of white/cream, light to medium gray & some pale brown tones. Insect holes, tight, cracked, or missing knots of any size, staining or discoloration, surface checking, small fastener holes, oxide stains & other possible signs of previous use. Variable patina & texture.

FLAME SPREAD

USDA FSI Redwood: 75 (class B). Class A flame retardant coatings are available

MINIMUM ORDER

250 sq.ft.

LEAD TIME

2-6 Weeks (or less)

Note: Wood is a natural substance and varies in appearance. Please refer to product images or request samples for a broader representation of the color and character of your selection.

APPLICATION	STANDARD WIDTH(S)	THICKNESS	FINISH	PROFILE
Interior Cladding	4-1/2" & 6-1/2"	5/8" Thick	White-Washed Finish	T+G
Custom profiles are available. Custom factory stains and finishes available on most products. Please inquire for more information.			Inquire to create your custom specification	

TONGUE + GROOVE

Standard profile (other profiles available)

FINISHES

We apply low-VOC and eco-friendly finishes to enhance the natural beauty of the wood for durability and easy maintenance.

CUSTOMIZATION

We offer custom specifications for this product, including dimensions, finishes and profiles for a unique look. Please inquire.

PATTERNS

We can manufacture engineered products in a variety of patterns, including chevron and herringbone patterns.
